

PERSONAL INCOME TAX WAGES REPORTED ON THE QUARTERLY WAGE AND WITHHOLDING REPORT (DE 6)

The purpose of this information sheet is to explain the requirement to report California personal income tax (PIT) wages in Item "H" on the Quarterly Wage and Withholding Report (DE 6).

It may be helpful to keep in mind the purpose for the wage items required on the DE 6. The "Total Subject Wages" in Item "G" on the DE 6 are wages subject to Unemployment Insurance (UI), Employment Training Tax (ETT), and/or Disability Insurance (DI). The "Total Subject Wages" are used to determine UI and DI benefits. The "PIT Wages" in Item "H" on the DE 6 are used by the Franchise Tax Board (FTB) to determine the individual's income, and should agree with amounts in Box 17 ("State Wages, Tips, etc.") on the Federal Form W-2. The "PIT Withheld" in Item "I" on the DE 6 represents the amount of PIT withheld from the individual's wages. The FTB will utilize the "PIT Wages" and "PIT Withheld" information to verify an individual's wages and withholding, since the employer is no longer required to furnish a copy of the employee's Federal Form W-2 to the Employment Development Department.

What are "PIT Wages"?

The "PIT Wages" in Item "H" on the DE 6 are the wages subject to California personal income tax which must be reported as income on an individual's California income tax return. **Most payments for employee services are reportable on the DE 6 as PIT wages. An individual's "PIT Wages" reported on the quarterly DE 6s should equal the W-2 amount shown in Box 17 ("State Wages, Tips, etc.").**

The PIT wages may not be subject to UI, ETT, DI, or California PIT withholding in every situation. For example, wages for agricultural and domestic services are subject to UI, DI, ETT and reportable as PIT wages, but are excluded from PIT withholding.

However, all wages subject to PIT withholding are reportable as PIT wages except for pension, annuity, and other deferred income distributions reported on Federal Form 1099R. Please refer to the attached table which lists examples of the most common reporting differences between "Total Subject

Wages", "PIT Wages", and "PIT Withheld" on the DE 6. In addition, for domestic services, please refer to the Information Sheet (DE 231PH) on Personal Income Tax Wages Reported on the Quarterly Report of Wages and Withholdings for Employers of Household Workers (DE 3B HW).

What are Wages?

"Wages" are payments made to an employee for personal services and may be paid by cash, check, or the reasonable cash value of remuneration paid to an employee in any medium other than cash (e.g., lodging and meals). Wages in any form other than cash are measured by the fair market value of the goods given as compensation for the employee's services.

The definition of wages includes hourly wages, salaries, commissions, bonuses, fees, piece rates, incentive payments, and certain fringe benefits. Cash tips are also considered wages under certain conditions even if tips are paid by the customer and not the employer. For reporting purposes, wages are taxable when paid, made available to the employee, or at the time the employee receives remuneration other than cash.

For a further explanation of "Wages" or "Total Subject Wages", and wages subject to California PIT withholding, please refer to the **INFORMATION SHEET: WAGES (DE 231A)**, or contact the nearest Employment Tax Customer Service Office which is listed under the "State Government Offices" section of the telephone directory under Employment Development Department.

For a more extensive definition of PIT wages, the following are recommended:

1. Refer to the FTB's Personal Income Tax Booklet for California Resident Forms and Instructions, "Instructions for Schedule CA (540), Line 7 - Wages, Salaries, Tips, etc." These instructions state that, in general, wages for federal and California income

taxes are the same except for several items (which are described in detail).

2. If more information is required regarding the definition of wages by the federal income tax law (Internal Revenue Code), please review the following publications:

- Internal Revenue Service (IRS) 1040 Booklet and Instructions for Line 7 - Wages, Salaries, Tips, etc.,
- The IRS Publication 17, Tax Guide for Individuals, Chapter 6 "Wages, Salaries, and Other Earnings," and Chapter 7 "Tip Income," or

- Internal Revenue Code sections that are listed in the index under "Compensation."
